Update 7

25.03.2020

Dear parents, carers, families and staff

Thank you for talking with us on the phone yesterday. We know how busy you all are, caring for your children, your families and yourselves as we go through this challenging time together. We appreciated the time, careful consideration and arrangements that have been made.

As discussed with you all yesterday, our child care provision is now in place.

We will review our arrangements towards the end of April with you all, or sooner if the National circumstances or your circumstances change.

From Tuesday 31<sup>st</sup> March, our work with you all, families and staff, will evolve, in line with the information we shared yesterday.

Stacey Sawicki will support you with Distance Learning and any questions or guidance you might need with online access, curriculum resources or pathway support. Stacey can also help with any training or resources that you might need.

Danielle Lamb will support you with any safeguarding support you need, including liaising with health and social care colleagues. Meetings that we usually have with you will still go ahead. We will work around your needs to hold those meetings on the phone or online.

Barbara Kilgallen will support you with Free School Meals and any financial queries you may have.

Sally Woods will support you with welfare needs, including supporting our staff team.

Helen Ashley and I will be leading the in-school care provision.

Your teaching staff and colleagues will continue to make regular contact throughout the week with you. This may now increase further for some families and colleagues.

Our Facebook page "HGS Community Distance Learning and Wellbeing" is the quickest page to connect with us and each other. You can also contact me at any time on [info@hebdengreen.cheshire.sc.uk](mailto:info@hebdengreen.cheshire.sc.uk) or call me on 07551 256859.

**It was a delight to watch some of our youngest pupils on CBeebies this morning. If you didn't manage to catch Something Special, please log on to the iplayer and look for Something Special Series 12, Disco Party. See if you can spot some familiar faces and spaces!**

**Thank you for your continued communication, feedback and support. We welcome your views on how we can make our arrangements with you even better so please do let me know.**

**With kind regards**

**Alison Ashley**
