Headteacher Helen Ashley BA (Hons) QTS

Dear Team Hebden - Parents and Families.

For this week's update I wanted to introduce you to our Leadership Team so you know who we all are, what we do and who you can contact if you would like to discuss your child's learning, curriculum, provision or any support you may need as a family.

Danielle leads our Post 14 provision and also our whole school curriculum. Danielle has worked in school since 2009 and has been in the leadership team since 2011. Danielle also leads on careers, preparation for adulthood and destinations after Hebden Green.

Stacey leads our Key Stage 3 provision and is also our Safeguarding lead. Stacey has worked at Hebden Green for 17 years and has been in the leadership team since 2016. Stacey also leads on family support and works closely with social care and health care to provide multi agency support.

Becks leads our Primary department. Becks has been part of Team Hebden for many years coming to us a midday assistant in 2011, working as a teaching assistant, qualifying as a teacher and is now our newest member of the leadership team working as an assistant head.

Lesley is our new Head of Care and leads our Residential provision. Lesley has worked as part of the Residential team for the last 22 years and has been instrumental in the provision's success for our pupils and families for many years previous as the Senior child care associate.

Helen ☺
